RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Examiner's request found on page 7, paragraph 9 of the Office Action dated July 18, 2000 in which the Examiner asks Applicant to resubmit the IDS of February 17, 1998, paper #3, and remove duplicate entries on that IDS, Applicant hereby resubmits the IDS earlier submitted on February 17, 1998, paper #3. Applicant believes that all duplicate entries and all entries that were later included in an IDS of October 26, 1999 have been removed. Therefore, Applicant respectfully requests that the Examiner consider the instant resubmitted IDS, initial and sign a copy of the IDS, and return a copy to Applicant.

Because Applicant believes that a copy of the references cited on the attached resubmitted IDS was provided to the Examiner along with the original submission of the IDS on February 17, 1998, Applicant has not included copies of the cited references with the instant resubmission.

Because the instant submission is a resubmission of an earlier filed IDS that was rejected by the Examiner for certain defects in form, Applicant believes that no fees are due in connection with the filing of this IDS. Nevertheless, the Commissioner is hereby authorized to charge any fees due in connection with the filing of this paper to Deposit Account No. 50-0285 (order no. P1D1C1-US).

Date: January 31, 2001

Respectfully submitted,

By:
